INTERVENTION by Art Sherrod Jr.

“Intervention” will keep you immersed from the first to the last song. With one listen, it is clear to see that Art Sherrod Jr’s passion is to connect to the heart of diverse audiences with an Intervention of love. He is a living testimony of living from the heart.

When you take a smooth jazz approach to some of gospel music’s greatest songs you get saxman **Art Sherrod Jr’s** newest CD project *Intervention*, which also features the soulful sound of Incognito’s lead vocalist **Maysa Leak** on a very funky arrangement of **Oh Happy Day**. This project has 13 spiritually enriched tracks that highlight Art’s roots in Gospel, Jazz, R&B and Funk.

Intervention appeals to all audiences. **Art Sherrod Jr** truly poured his heart and soul into this one.
